Subject: A Letter of Profound Thanks for your Transformative Support via The Big Give Christmas Challenge

Dear Kans and Kandy Wholesale Ltd.,

On behalf of the entire team, the families, and the children we support at Heel & Toe Children's Charity, please accept our deepest and most profound gratitude for Kans and Kandy Wholesale Ltd.'s incredible generosity during The Big Give Christmas Challenge campaign. Your exceptional support and commitment resulted in a total, **transformative donation of £25,000**.

As a small, North East-based charity providing free and subsidised therapy for children with physical disabilities and complex needs, this donation is nothing short of transformative. This sum will directly fund vital sessions—including physiotherapy, hydrotherapy, rebound therapy, and hippotherapy—making a measurable, long-lasting difference to the children and families we serve.

As you know, we receive no government funding, meaning we rely entirely on the support of compassionate and committed partners like Kans and Kandy Wholesale Ltd. Your partnership powerfully demonstrates the incredible impact that successful local businesses can have in their community.

Thank you once again for believing so strongly in our mission and for your commitment to helping us empower more children to reach their full potential. We look forward to sharing updates on the impact of your support in the coming months.

Kind Regards,

Natalie Duncan
